### Getting Here is Easy

Getting here is part of the experience. Take the Confederation Bridge from New Brunswick, one of the longest bridges in the world. Enjoy the leisure of a mini cruise with Northumberland Ferries from Nova Scotia. Or, fly Air Canada, Northwest, WestJet, Sunwing or Delta, all with regular service to Charlottetown, including direct service from Halifax, Toronto, Montreal, Ottawa, Boston, Detroit & New York City. Visit [www.flypei.com](http://www.flypei.com) for complete details on airlines.

### What's the Weather Like?

Summer daytime temperatures usually range around high 18°C (56°F) to mid 20°C (77°F), with minimal humidity. Since the festival is completely casual and all about fun, golf shirts, shorts and clam diggers are recommended during the day. We suggest a light sweater for evenings by the sea.

### Host Golf Courses and Schedule of Events:

This is a festival so you want to be where the action is! Each day we have selected Host Courses that are festival friendly and ready to roll out the red carpet (or should we say red soil). When you play our Host Courses, you'll be paired up with another Festival Couple and receive our signature Island Hospitality during and after play. Without telling you all our secrets expect the unexpected at Host Courses – mussels, oysters or music may be just a sample of what's in store.

But the choice is up to you, if you prefer to play a non host course that's completely okay. We'd be happy to make the arrangements. And remember if you want more golf we can arrange your preferred course on July 8 or 12. We can also arrange for Pre and Post Festival Packages.

**We highly recommend as much golf as possible and don't miss the many unique Island experiences, Opening Reception and Our Signature Island Kitchen Party.**
